CHANGING SEASONS, CHANGING PALATES

September brings the official transition from summer to fall and it can be a whirlwind of change: one day it's steamy hot, the next day there's a distinct crispness in the air. To embrace this transition- and help you be prepared for anything- here are some wine & cheese pairings sure to please no matter what the day may bring.

Cablanca Goat Gouda is mild, sweet, and has only the slightest hint of tanginess. It's a natural partner for **Landmark Chardonnay**, a complex, food-friendly wine that sings of pears, citrus, and apricots. Perfect for when you're seeking brightness & refreshment!

Point Reyes Toma is an exceptional any time, anywhere kind of cheese with a perfect balance of sweet, salty, and milky flavors. It's smashing with the rich, dark fruit flavors of **Domaine Bousquet's Malbec**. Ideal for when you're pursuing warmth & depth!
